Music by Russell Hepplewhite

**Bright** ♩. = c.110 (♩ = ♩ throughout)

$\left(\frac{6}{8} + \frac{2}{4}\right)$

Voices  **mf**  
We are who we are, so near and so

6   
far. We can cross the sea, we can reach the sky.

11   
We can shape the earth, we can ask you why?

15 **p**   
We are who we are, so near and so far.

20   
We can love and hate, we can give and take.

24   $\frac{2}{4}$   
We can starve or eat, we can make or break.

All we need to do is to do it now.
