TECHNOLOGY IN THE MUSIC CLASSROOM

West Sussex Music Education Conference
30/6/25

Session Outcomes

- **Overview of what is out there**
- **A range of creative activities that you can adapt for your classroom**
- **Increased confidence and excited to explore further**
- **Signposted to resources & equipment**
- **Enjoy***

Why Technology

- Timbre, tuning

- Sound isolation

- Broader genre range – pupils as creators

- Pupils can do it at home

Supporting equipment

- Mini-speaker

All today's tech on one page
